*Community Clinic*

## The District Nurses Community Clinic

is available to all members of the community, treating minor injury, illness and general health needs.

Bulk billing is available to pension or health care card holders, and no referral is required.

### Community Clinic services:

- Consultations for all types of health needs
- Exercise physiology
- Foot care clinic
- General Practitioner
- Health Care Homes
- Home visits
- Immunisations
- Medical certificates
- Nurse Practitioner
- Pathology tests, x-ray orders and results
- Pre-employment health checks
- Prescriptions
- Referrals to specialists and allied health professionals
- Visiting specialists
- Wound management

### The Clinic is also the home base for the Staying Active Staying Independent (SASI) – wellness program

The District Nurses **SASI** program aims to keep people active, healthy, independent and able to perform as many activities of daily life as possible. The District Nurses **SASI** program delivers nutritional advice, an exercise program and falls prevention strategies. The program helps to keep people active, healthy and independent.
