The District Nurses is one of Tasmania's oldest and best loved community organisations.

We've been providing community nursing and in-home support for people of all ages since 1896.

Our purpose:
"Committed to care".

Individuals, businesses and community organisations can purchase high quality nursing and care services through The District Nurses Private Services.

There are no waiting lists for The District Nurses Private Services and there are no restrictions on the types of services that can be provided.

Services can be provided on a one-off, short-term or long-term basis.

Services available:

- Assistance with showering and dressing
- Assessment/referral for complex needs
- Care assessment planning
- Community nursing
- Community Clinic services including foot care and wound management
- Disability support services
- End of life care
- Gardening and maintenance

- Help with household tasks
- Home nursing care for highly dependent and/or frail aged people
- Immunisations for individuals and workplaces
