The District Nurses is one of Tasmania's oldest and best loved community organisations.

We've been providing community nursing and in-home support for people of all ages since 1896.

Our purpose:
"Committed to care".

We are an approved provider of Aged Care under the Commonwealth Aged Care Act providing a full range of services across Tasmania.

All of our services are designed to help our clients stay healthy and independent in their own homes and community.

Programs and services:

- Commonwealth Home Support Program for people over 65 years
- Department of Veterans Affairs Home Care and Nursing
- Health Care Homes
- Home and Community Care Program for people under 65 years
- Home Care Packages
- National Disability Insurance Scheme
- Staying Active Staying Independent (SASI) wellness program

- After hours services
- Allied Health services
- Assistance with household tasks including meal preparation
- Community nursing
- Community Clinic services including foot care and wound management
- End of life care
- Gardening and minor home maintenance
- Help with showering and dressing
- In home respite
- Private services for those who cannot access government funded programs
- Social support and transport
